### Notes From Counseling

All Cadets and Staff.. The Counseling Department wants to thank you again for making our National School Counselors Week very special!

ADL (No Place For Hate Training): Thank you to all of you that participated in the training. We were very impressed with your insightful, impactful, and courageous participation and feedback. Please note that you may be invited to our ongoing ANA CARES committee meetings to continue the great work that we've started.

#### Seniors:

1. As you continue to receive requests for Mid-Year grades, please remember to fill out a transcript request for only the Colleges that are specifically requesting this information. Mrs. Tammy Clark has worked to have them ready for you on Monday, February 12, and she will send them accordingly.
2. Please start looking at all the great Scholarship opportunities on Naviance if you haven't already done so and work with your counselor for additional support with this process. We will be getting the CAL GRANT application to you this week, please fill it out even though you don't think you are going into a California College just in case you decide to do so.
3. Please continue to update your College Acceptances on Naviance. It is very important so that we can update our Data and keep accurate records. If you have been awarded a scholarship, please share information with us also.
4. Grades & Appropriate Behavior matter until the end of the school year! Be relentless.

#### Juniors:

1. Thank you to those who took the time to sign up for the upcoming March 10th, SAT here on campus. As you were informed in your College Pathways presentation, there will be several more opportunities in the Summer and Fall for you to take it. Make sure you sign up for the SAT with Essay.
2. The Counseling Department will be presenting the College Pathways information on an ongoing basis through your LET class as we get ready for your Senior year in a few short months.
