No Friday MASH/Library Closed Today

Hour of Code

The Hour of Code continues today! During your regularly scheduled Science classes, you will instead report to the Library in order to spend an hour learning how to program. We'll have lessons on Python, Javascript, and Cryptography. See you at the Hour of Code!

Segovia Says:

"qcoibjaphjvfyusxvwqeawie"

This code is similar to yesterday, but has a twist, you have to decode the key before it can be used. The key is contained in this code (Remove any spaces before you use the key):

"UHC_MXPZ_OOZIAEGKUDUHWXQCRENJBKVZ_XV_MRHO_KJ
 P_@F_%K_Z_M_NDR_P", a hint is the number: 8.

Good Luck and see you at the hour of code!

Tutorial Reminder

Please remember to attend tutorials and be on time to class. Missing tutorial 3 times will earn you a Saturday Detention as will being tardy to class.
