

MIDDLE SCHOOL UPDATES FROM THE COUNSELING DEPARTMENT

Dear Warrior Families,

We hope this email finds you safe and well as we continue to navigate our new normal of Remote Learning. We have received many questions from Cadets and parents related to AP Exams, college planning, and the upcoming year, so we have compiled counseling-specific topics for you here. We hope this answers some of your questions and keeps you informed on what we are doing to stay connected with Cadets.

Planned Courses for 2020-21

A letter with your Cadet's courses for the 2020-2021 school year will be emailed in early May. Cadets who are approved for an AP course will receive the AP summer homework and are responsible for its completion before school begins. Please keep in mind that the courses are subject to change. If you have any questions and/or concerns regarding your Cadet's courses next year, please contact his counselor.

Summer Course Remediation

Please be sure to check your email regarding summer remediation. If applicable, the Counselors will be letting you know what course(s) your Cadet is encouraged to remediate, along with approved online summer school options.

Virtual Lunches

The Counselors will be hosting virtual lunches with Cadets every Wednesday at 11am PST. Links to join will be posted in the Google classrooms every week, and all are welcome to attend!

Virtual College Fair

On April 20-23, StriveScan will be hosting a "Strive Virtual College Exploration Week." There will be 300+ Colleges and Universities represented from 40 States and 10 Countries. Cadets will have the opportunity to choose from 96 different presentations on a variety of important topics such as choosing the right college that fits them, the application process, majors offered, and more. This is a great opportunity for current sophomores and juniors to get a feel for the different campuses offerings and understand more about each campus. This is also a free event!
