

**ARMY & NAVY
ACADEMY**
BE BOLD. BE BRILLIANT. BE YOU.

**VICE PRESIDENT
FINANCE & OPERATIONS**

Dear Parents and Guardians,

As stated in the President's correspondence earlier today, the Academy intends to open instruction on campus September 9th. Unfortunately, as he has also stated there is still the possibility that the Academy may need to temporarily conduct Remote Learning until either a waiver can be obtained or the San Diego County is lifted from the State of California's monitoring list. If Remote Learning becomes necessary, the Academy has developed a weekly pricing structure to address the inconvenience to our parents as well as to pass on some identified savings.

Effective September 9th, the Academy will charge a weekly rate of \$525 during the time that cadets are participating in Remote Learning. This rate represents the day tuition rate of \$23,750 discounted by 20% to \$19,000. There are 36 weeks of instruction during a normal school year resulting in an approximate weekly rate of \$525.00. For those families that receive financial assistance, some assistance will apply to the weekly rate at a percentage equal to the annual award. No other discounts will apply.

Currently all parent accounts have been placed on hold with Smart Tuition. If you made a tuition payment during or prior to July, those payments will be applied to your weekly requirement with the exception of the non-refundable deposit. No payments will be required in August. Weekly tuition billings will begin in September and will be charged through Smart Tuition as a monthly payment on the 20th of the month.

Once the Academy returns to on campus instruction, the regular day and boarding tuition will be pro-rated for the remaining weeks of the 2020-2021 School Year. Tuition will then be processed as normal.

The Academy understands that Remote Learning is not the optimal learning environment that we provide for our Cadets. It is our goal to make this process as financially convenient while striving to provide for our faculty and support staff. If you have any questions or concerns please contact either Vanessa Heredia at vheredia@armyandnavyacademy.org or myself at jpullen@armyandnavyacademy.org. While we are working from a distance we are addressing questions and requests via email.

Thank you again for your continued support and understanding.

Respectfully,

Janet Pullen
Vice President, Finance and Operations
Army and Navy Academy
