

ARMY & NAVY ACADEMY

SUMMER LEADERSHIP CAMP

SUMMER 2021

OVERNIGHT AND DAY CAMP

LEADERSHIP • COMPUTER SCIENCE • AVIATION • ESOL

OVERVIEW

Army and Navy Academy's Summer Leadership Camp offers co-ed, overnight, and day camp experiences that motivate and encourage social interaction, accountability, skill development, and personal growth.

Our campers will enjoy full access to our unique oceanfront location, feeling safe and secure with staff supervision, on-site medical services, and 24-hour security. Morning classes and afternoon activities concentrate on developing strong character while providing opportunities for campers to:

- Become self-disciplined and resilient leaders modeling responsibility, independence, and confidence
- Build positive relationships in an environment that promotes independence and a sense of belonging
- Develop cherished friendships and a sense of community connection
- Experience all the benefits of Academy life, with an emphasis on mentoring, safety, personal development, and sportsmanship.
- Learn to resolve conflicts while demonstrating respect for others
- Raise self-esteem and strive for the realization of potential

VIRTUAL OPEN HOUSE DATES

These virtual events will take place between 10:00am - 11:00am and include a virtual campus tour and Q&A time with Academy Staff. Please RSVP in advance.

- Saturday, April 10th
- Saturday, May 15th
- Saturday, June 12th

SUMMER DAY CAMP SESSIONS

For campers interested in unique day camp opportunities, the Introduction to Leadership program is available in two-week sessions that combine leadership education elements with various adventure-based and traditional recreational activities.

CAMPER SAFETY AND CAMPER OPERATION

Following expert guidance from local, state, and federal organizations, Army and Navy Academy operational procedures for operating safely amid the COVID-19 pandemic include but are not limited to:

- Dynamic use of our campus to maximize physical distancing
- Wellness assessments performed throughout the day
- Frequent facility sanitization following CDC standards
- COVID testing protocols for campers and staff
- The use of personal protection equipment for campers and staff

The Academy will educate campers on health protocols, including personal hygiene, sanitizing areas, proper use of face coverings, and reporting to the Health Center when not feeling well.

BE BOLD. BE BRILLIANT. BE YOU

INTRODUCTION TO LEADERSHIP • TWO WEEK

Middle School • Grades 6-8

An Introduction to leadership for students interested in exploring potential and learning the fundamentals of citizenship. Campers gain invaluable life skills through fun activities and adventure-based challenges that reinforce teamwork, accountability, discipline, and respect. Returning campers can follow-up their primary leadership classes with an advanced curriculum emphasizing the core values of responsibility, loyalty, and selfless service focused on preparing them for high school.

High School • Grades 9-12

Leadership education, including group instruction, hands-on learning, and outdoor adventures. Campers learn to focus on achievement while overcoming physical and mental challenges. (Non-Credit Course)

INTRODUCTION TO LEADERSHIP ELECTIVES

Whether it's pursuing a unique interest or the traditional leadership instruction, two-week campers take advantage of specialty electives to personalize their schedule, pursue an interest, and enhance their camp experience.

Leadership: Session One or Two

For motivated campers focused on becoming better citizens, the Leadership option enhances the program's core, reinforces the development of communication and cooperative skills, personal strengths, and self-confidence.

Aviation: Session One - Grade 6-8 Session Two - Grade 9-12

The Aviation program introduces aeronautics through in-class discussions and project-based learning. This program covers: principles of flight, aircraft anatomy, space travel, remotely-piloted aircraft systems, and how to earn drone, glider, and private pilot licenses.

Cyber Security & Computer Science: Session One - Grade 9-12 Session Two - Grade 6-8

The Cyber Security & Computer Science course introduces the use of Virtual Machines to run Windows 10 and Linux. This program reinforces the scientific process and promotes the appropriate use of technology. It also covers the concepts of personal responsibility for data, online behavior, and digital leadership. Campers will become familiar with the digital defense of operating systems and take responsibility for their data.

English for Speakers of Other Languages (ESOL): Session One or Two
ESOL involves engaging content that promotes active listening, speaking, reading, and writing skills while utilizing a variety of instructional mediums and technological support.

ADVANCED LEADERSHIP • FOUR WEEK

Middle School • Grades 6-8

For younger campers interested in the opportunity to earn primary and secondary level experience in one summer, this option provides both courses over the four weeks.

High School • Grades 9-12

This introduction to the Army's Junior Reserve Officers' Training Corps focuses on the core values of honor, integrity, and selfless service, motivating campers to succeed. Returning campers receive instruction concentrating on advanced citizenship and leadership skills, reinforcing the confidence gained from their previous experiences. (Credit Course)
